4th June 2021

Dear Residents and Families,

Holy Family Services is excited to announce that we have employed the services of Sodexo, a catering business that provides a high level, quality hospitality service which is focused on nutritional, fresh, tasty meals that cater to the needs and preferences of each resident, quality dining experiences and a focus on ensuring meaningful engagement with each resident. The menu will be developed in conjunction with the residents, Sodexo and qualified Dieticians. It will continue to provide a variety of choices, will meet the resident's varying dietary requirements, and will include delicious Polish cuisine along with other international cuisines.

Holy Family Services catering team will continue to be employed by Holy Family Services, providing the daily food services to our residents. Sodexo will provide the skills of a highly qualified, experienced Chef to the kitchen team and a Customer Service Manager to support the team, ensure compliance with legislation, and provide improvements to our meals and services. They will ensure every meal, no matter the dietary need, is delivered freshly cooked, presented beautifully and at the right temperature for our residents.

The official commencement date will be Wednesday the 23rd of June 2021, and we hope that this change will provide a wonderful dining experience each day for our residents.

Regards

Alexandra Davis
